

Technical Data Sheet

Rapid Grout Pro

Concrete Polishing Grout

Water-based binder for grouting concrete floors

DESCRIPTION

Rapid Grout Pro is an environmentally friendly water-based acrylic binder that is used to fill pin holes, air pockets and minor imperfections in the concrete polishing process.

Rapid Grout Pro emits zero toxic odours (VOC's) and is water-based, making it safe to use and minimising environmental impact.

ADVANTAGES

- Outstanding adhesion eliminating pinholes
- Zero shrinkage to better fill cracks and pinholes
- Superior flexibility, reducing dusting and chalking
- Virtually odourless and friendly to the environment
- Extremely easy to apply and fast drying

MIX RATIO

Mix 1-part Rapid Grout Pro with 1-part water (1:1).

COVERAGE

One coat will cover approximately 5 - 7m² per litre when mixed.

SURFACE INSPECTION

Surface must be clean, dry and free from grease, loose paint, oil, dust, curing agents or any foreign material that might prevent proper adhesion.

APPLICATION

Rapid Grout Pro should be mixed at a ratio of 1:1 with water.

Apply liberally onto the concrete surface, keep wet and grind in cement dust with 120 grit diamonds.

LIMITATIONS

- Do not apply in conditions above 30°C
- Always read SDS before use of any product

TYPICAL PROPERTIES

Appearance	Transparent milky white liquid
Spread Rate	5 – 7m ² per litre
Dry Time at 25°C	20 minutes
Storage Period	2 years at 5 - 35°C
Packaging	15 and 200 litre plastic containers

HEALTH AND SAFETY

For detailed information, refer to the current Safety Data Sheet. For emergencies, please contact 24-hour mobile 0413 075 994.

First Aid Instructions

If swallowed: dilute with milk or water. DO NOT induce vomiting. First aid is generally not required. Call a doctor if necessary.

If in eyes: rinse cautiously with water for several minutes. Remove contact lenses if present. Continue rinsing. May cause irritation and redness. Seek medical attention.

If on skin: wash with plenty of soap and water. May cause redness and irritation. If irritation persists, seek medical advice. Poisons

Information Centre 131 126.

MANUFACTURER'S COMMENT

Use with any other manufacturer's product could result in detrimental effects on the product's performance for which Concrete Chemical Company holds no responsibility, and Concrete Chemical Company cannot be held responsible for failure to follow application instructions. Concrete Chemical Company is continually updating materials and methods. Ensure you have the latest information.
